

IN THE MICHIGAN COURT OF APPEALS

ORDER

AMENDED

Re: **Riverside Acres Neighborhood Association v Nick Rabbai**
Docket No. **282346**
L.C. No. **06-000199-CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

This appeal, initiated by a claim of appeal filed on December 4, 2007, is DISMISSED for lack of jurisdiction because the November 14, 2007, order is not a MCR 7.202(6)(a)(i) final order because it does not determine the amount of attorney fees owed to the plaintiffs. The request for attorney fees was part of the cause of action because it was based on the relationship of the parties and as such a final order is not entered until the amount is determined by order.
